WASTEWATER SYSTEM TEST RESULTS
(Low-Pressure Air/Hydrostatic/Vacuum)

Project: _____

Contractor: _____

Testing Agent: _____

The following sections of sewer line and manholes in the above-named project were tested according to SBWRD Standards. The results are as follows:

Low Pressure Air/Hydrostatic Test - Lines							Vacuum Test - Manholes			
MH#	MH#	Material	Dia.	Pass	Fail	Retest	MH#	Pass	Fail	Retest

Signed: _____ _____
Testing Agent Date

_____ _____
SBWRD Inspector Date

If a section of sewer line or manhole fails, the following items should be completed:

Section/Manhole(s) that failed: _____

Leak (was/was not) located: _____

Description of leakage found: _____

Description of action taken: _____
